CLOUD STORAGE   VOICE CONTROL
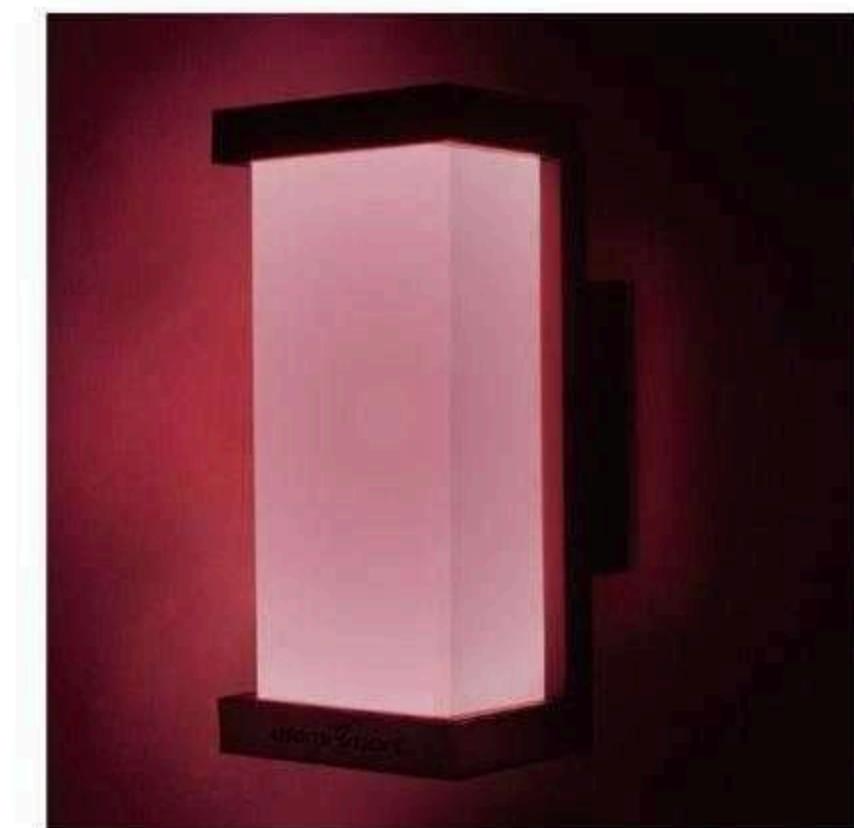

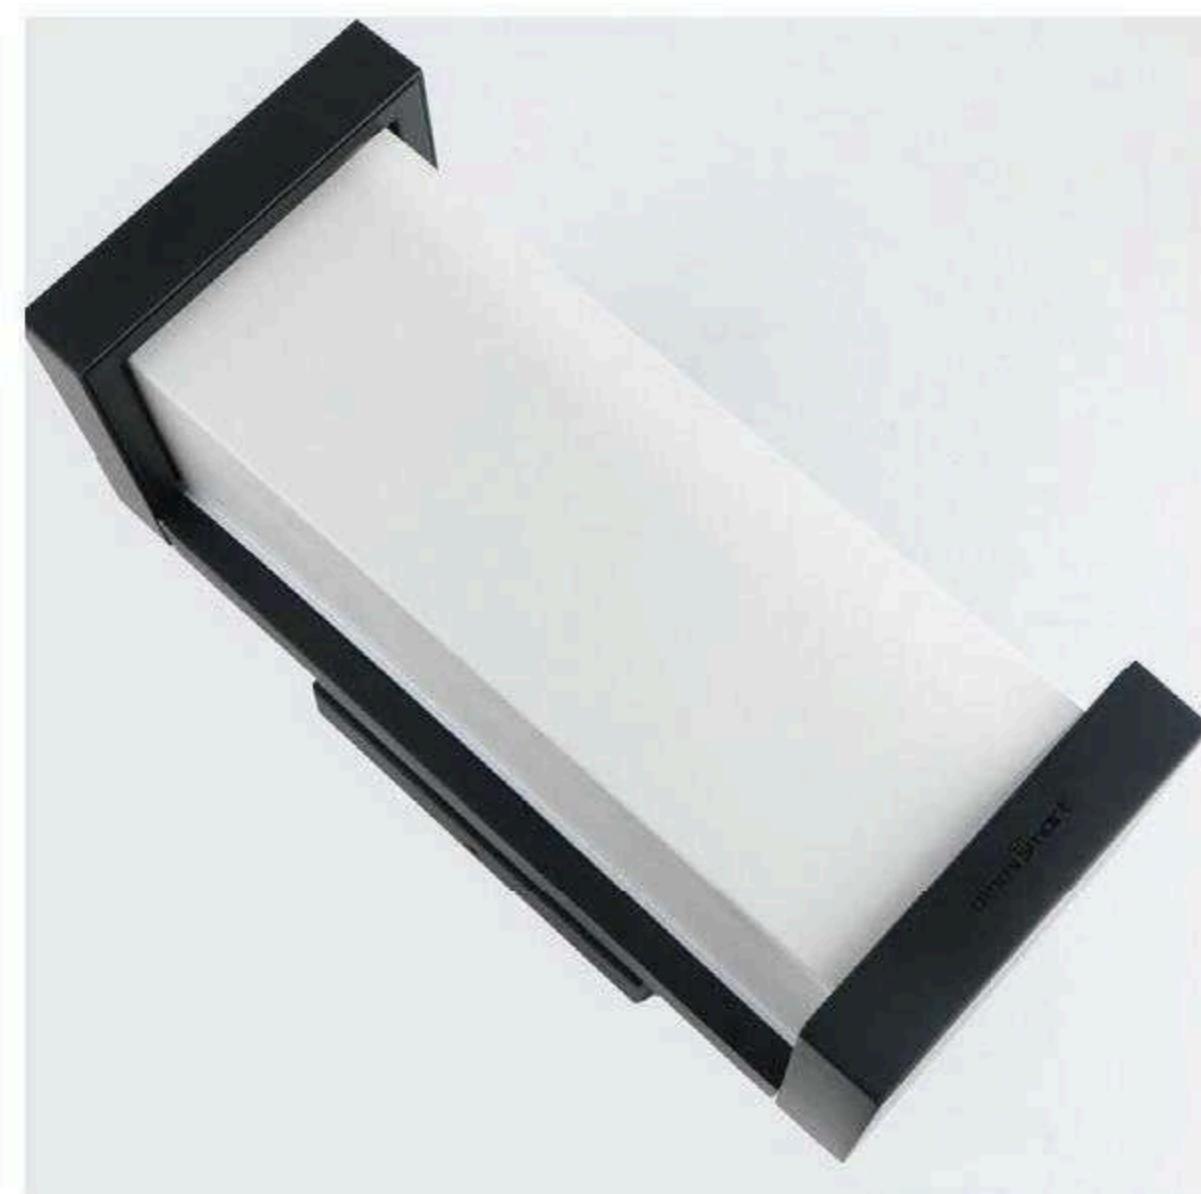

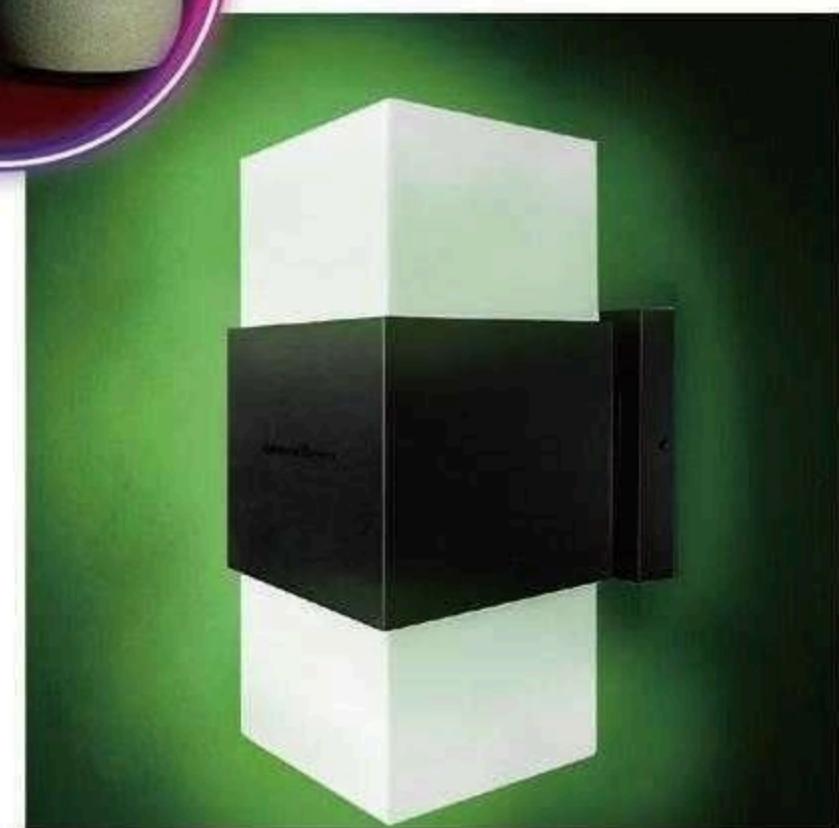

·Basic User

Use the" SMART LIFE" APP control
together with the luminaires / luminaires to adjust brightness,
colours and mood. These functions are practical, easy to handle
and will meet your daily needs.

·Advanced User

Use the full potential of "SMART LIFE'' APP connect:
Away from-Home control by integration in your WiFi, control by speech
commands via Amazon Echo and Google Home.
Use the App and expand your options – the future of lighting in your home.

SMART Lawn Lamp

2023 The NEW Model
It makes you feel magical and dreamy

• Creative inspiration

It was inspired by a drink, which is the most common type of sparkling water, but often the bubbles give you a thrilling feeling. You can have bubbles in a drink, so why not in a light fixture? So this lamp has some bubbles in it to make it feel like it's been enchanted.
